

WORK SHEET – EXERCISE 1B

If I were in that situation...

Here are different situations to cut out and to present to the children.

I'm going on a school trip.	It's my birthday.	My best friend doesn't want to play with me.
Children fighting in the school yard.	My best friend is moving.	The others make fun of me.
I'm excluded from the group.	I have a bad report card.	I forgot my gym bag.
I did the wrong exercise.	I didn't understand the exercise.	My team lost.
I wasn't chosen for the activity.	My teacher is angry.	I can't paint what I want to.
I lost my pencil case.	Tom brought in a yummy cake.	We're going to the swimming pool today
I got a sticker today.
